A National Lutheran Community

A secure tomorrow means enjoyment today. The Village at Rockville—A National Lutheran Community is a place where you can be confident in a vibrant future thanks to our full, on-site continuum of care. Below are just some of the benefits of life at our community: a life replete with choices, opportunity and dedicated care when you need it:

- **Your health. Your choice.** Customize your healthcare according to your needs, and we will cater our resources and provide a plan that is right for you. In-home care offerings, telemedicine and visits to our care center are available for your convenience and peace-of-mind.
- **Choose when you move.** In the market? At The Village at Rockville, you can claim your cottage and cozy up right away. With immediate availability for move-ins, the right time is whenever you want it to be.
- **Apartments, cottages and more.** What does your dream home look like? Chances are it's somewhere on our sprawling, leafy campus. If apartment living is not for you, explore our charming cottages situated on a tree-lined street with walking paths, gazebos and a tight-knit group of neighbors nearby. You'll love cozy one-level living with a private patio and stainless steel appliances and still enjoy all of our on-campus amenities. All cottages and apartments offer maintenance-free living and access to our on-site, highly-rated Health Center.
- **Incredible choices for inspiring your mind, body, and spirit.** Want to don a French beret while enjoying a paint and sip class? Maybe you would prefer attending a Greek history course? Our ConnectedLiving team creates programs based on benchmarks for social, emotional, physical, spiritual, and intellectual wellness that encourage residents to explore new things, find new interests and continue to experience the ones they enjoy most. Explore your interests, define your commitments, and choose for yourself.
