

A National Lutheran Community

**To:** Health Center Residents, Families and Team Members  
**From:** Kyle Hreben, Executive Director  
**Date:** June 11, 2021  
**Subject:** Health Center Path Forward Update

## Memorandum

We are pleased to announce that we are extending our visitation schedule so that families can visit **three times** per week with residents. We ask that families coordinate so that visits do not fall on the same day of the week. Please note the following visitation days according to resident location. Also, thank you in advance for going directly to your loved one's room or outside instead of walking around the Health Center. We hope you will enjoy these additional visits with your loved one.

- Second floor: Tuesday, Thursday, Saturday
- Third floor: Monday, Wednesday, Friday, Sunday
- Assisted Living: Monday, Wednesday, Friday, Sunday

Please continue to sign up for visitation using the following information:

- In-person visits can be scheduled through the following links:
  - Assisted living residents: <https://www.signupgenius.com/go/tvaralvisits>
  - Second or third floor residents: <https://www.signupgenius.com/go/tvarvisits>
- We are still asking families to be mindful and courteous of other families who cannot physically visit in person and limit their virtual visit to **once per week if that visit is necessary**.
  - Schedule your virtual visit here: <https://www.signupgenius.com/go/tvarvirtualvisits>
- Salon appointments (Wednesday, Thursday and Friday from 9 a.m. to 3 p.m.)  
<https://www.signupgenius.com/go/tvarsalon>

Don't forget these upcoming opportunities for Health Center residents to gather together for worship on the following Tuesdays at 3 p.m.

- June 15 - Health Center residents first floor and second floor only
- June 22 - Health Center residents first floor and second floor only
- June 29 - Health Center residents first floor and second floor only

**Please note the following safety protocols for worship services:**

- All must wear masks. On the occasion that someone arrives without a mask, one will be provided or that person must be refused entry.
- Please sanitize your hands when arriving and leaving the Chapel
- The chaplain will take attendance for contact tracing.
- There will be two chairs and a space for a wheelchair on each side of the aisle, keeping a six-foot space between residents.
- Limited capacity of 30 people allowed in the Chapel at the same time.
- The chaplain will give communion with gloves on. The wafer is dropped into the resident's hand and then each person is given an individual glass to drink wine.
- ConnectedLiving coordinators and other staff will assist with bringing Health Center residents to and from the Chapel to participate in worship.

Just in case you cannot attend service in the Chapel, each service will be recorded and shown on The Engage Channel 975 the following Sunday at 11 a.m. It is our hope that soon we will be able to have residents living in the Health Center and independent living residents worship together on Sundays.

Time is running out for you to send your Father's Day letter to Melissa Blackstone in time to celebrate your favorite father. Father's Day is June 20, and as we plan for our Father's Day gallery, we are asking families of permanent male residents to send messages and letters to Melissa that recognize their loved one's contributions to fatherhood. The messages will be added to pictures taken by our team to create the Father's Day gallery that will be on display in Lang Hall from June 18-25. Please send your encouraging message to Melissa at [mblackstone@thevillageatrockville.org](mailto:mblackstone@thevillageatrockville.org).

Thank you and have a wonderful weekend!
