

A National Lutheran Community

Memorandum

To: All residents, families and team members

From: Kyle Hrebren, executive director

Date: September 2, 2021

Subject: COVID-19 positive team member

As we continue our weekly COVID-19 testing based on guidance provided by the Maryland Department of Health (MDH), we had one team member who works in the Health Center test positive for COVID-19 yesterday, September 1.

We will test all Health Center residents and team members next week. We will also continue to provide outdoor visitation for skilled nursing residents in the Health Center. There will be no changes to visitation for assisted living residents at this time.

Thank you for your understanding, continued partnership and confidence in The Village at Rockville.
